HEART OF THE HOME

An ornate chandelier creates an impressive welcome in this Auckland home

Entry through the double height portico and into the large entry, dominated by a heart-shaped chandelier, gives a real sense of arrival to this four-bedroom home.

Shining through the glass-fronted foyer, the unique light fitting complements the schist chimney and plaster exterior.

The glowing wooden floors flow through to the casual living area and into the large entertainer's kitchen while the formal dining and lounge are plushly carpeted. The lounge, with a steeped ceiling, has a beautiful feature fireplace.

The ground floor also accommodates a guest bedroom and bathroom, as well as a large separate laundry with plenty of storage.

Passing through the entry and gallery, the house moves effortlessly upstairs to two more bedrooms and a study, plus a large family bathroom.

The pièce-de-résistance, however, is the sumptuous master-bedroom suite. This oasis has its own lobby off which flows a generous ensuite with glass block shower, a walk-in wardrobe and double doors which open onto a north-facing deck.
