Area: 265.00 m²

The extensive use of honed block and glass through out, highlights the contemporary interior and exterior of this striking modernist family home. Designed for an inner city flat site this 265m² home features an open plan kitchen, dining and living areas with a separate lounge complete with a gas fire place and stunning honed block feature wall. One of the stand out features of the home is the double-storey entranceway with natural light from a large window over the front door. Above the entrance atrium is a unique suspended bridge with glass balustrades on either side. Upstairs are four bedrooms and two fully tiled bathrooms, all are finished in a minimalist style, which add to the light and airy feel of the home.
