

OUT OF THE OLD.....

.....AND INTO THE NEW

Do you love your ADDRESS - but not your HOUSE?

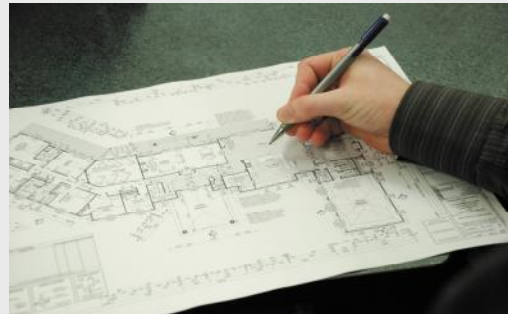

Many older homes have large sections, which opens up the opportunity to Knock down and Build New, an opportunity that many home owners are now looking at undertaking.

At Jalcon Homes we have the expertise to make this happen. Our sales professionals will work with you to establish what steps are required to get your project under way.

We provide you with a complete build package:

1. Pre-construction consultation to determine budgets, project feasibility, and home design.
2. Complete build package – fixed price contract, working drawings building consent, resource consent etc
3. Project Manager
4. Unlimited Interior Design consultations.
5. Plus a written guarantee to give you peace of mind with our 15 year weather tight warranty.... Our homes DO NOT LEAK.

So if you are thinking of replacing your old home with a new one....
Then think Jalcon Homes
